and others

…Respondents

THE HON'BLE SRI JUSTICE V.V.S.RAO

WRIT PETITION NO.4133 OF 2003

ORDER:

The petitioner approached first respondent and gave complaint on 6.11.2002 alleging that respondents 2 and 3 cheated him in getting Visa to go to Qatar. He also alleged that respondents 2 and 3, who are brothers-in-law collected Rs.75,000/- from him and gave a fake Visa. However, complaint was not registered as cognizable offence. Hence, present Writ Petition is filed seeking a direction to first respondent to register the crime.

First respondent has filed a counter affidavit stating that there is family dispute between petitioner and respondents 2 and 3 and that efforts were made to settle the dispute by their relatives. It is also further stated that as the dispute is of civil nature,

Police did not pursue any further action.

It is brought to the notice of this Court by the learned counsel for the petitioner and the learned Assistant Government Pleader for Home that respondents 2 and 3 also filed Writ Petition No.24673 of 2002 and the same was disposed of by this Court. A reading of the counter affidavit filed in the Writ Petition would show that the dispute is essentially of civil nature and Police were correct in not registering the crime. The counter affidavit also reveals that after receiving the complaint, first respondent made enquiries with respondents 2 and 3, and decided that it is a civil matter. In that view of the matter, the petitioner is not entitled for any relief.

The Writ Petition is accordingly dismissed.
